25 October 1982

NOTE FOR: Director of Central Intelligence

FROM : Acting Deputy Director for Intelligence

SUBJECT : European Trip

Bob Gates wanted me to suggest to you that a DDI officer go with you on the trip to Europe. We would suggest John McLaughlin. John is an experienced and knowledgeable West European analyst. Although his strength is in the political and economic areas, he has considerable familiarity with the major military issues. He would be a valuable resource and could benefit from the trip.
